Zion's Preschool Child Care Program offers several child care options for parents of our toddler and preschool students. Our Before School Care (BSC) program is offered as a care option for students before school begins. Our Preschool Child Care Program provides parents a place for their Zion Preschool students to be cared for in a safe and convenient location during the afternoon. Finally, our All-Day Summer Camp Program is a state-licensed program for children three years old through twelve years old. Children do not have to be enrolled at Zion Preschool and Child Care Program in order to attend our Summer Camp Program

Note: For information about our Toddler Care program for children from 18 months to 36 months, click on Information for Admission for Toddlers.
